

OIL FILTER FOR GM 6.6L

There are two oil filters that can be used for the GM models and engine listed below:

Brand	Part Number	Part Number
OE	12684038	12707246
GM	PF26	PF63
NAPA	100454	7045

Brand	Model	Year	VIN	Engine	Transmission
Chevrolet	Silverado 2500/3500	2023	All	6.6L (RPO L5P)	All
GMC	Sierra 2500/3500	2023	All	6.6L (RPO L5P)	All

DETAILS:

- In 2023, GM obsoleted the PF26 in production and replaced it with the PF63 for the 6.6L (RPO L5P).
- Since the NAPA catalog was produced prior to the PF26 being obsoleted, it lists the PF26 for the 2023 application.
- Both the PF26 and PF63 are suitable for 2023 6.6L (RPO L5P) applications.
