Gold

FilterSM

1. Heavy duty filter body to withstand more than five times normal oil pressure
2. Pressure relief valve to ensure positive engine lubrication
3. One-piece spiral wound corrugated center tube to maximize collapse strength
4. Traps up to 99% of contaminants** and holds 2X more than conventional filters
5. Synthetic resin media engineered to deliver up to 10,000 miles of engine protection*
6. Silicone anti-drainback valve with high retention power to help protect the engine during cold starts
7. Heavy duty base plate with precision forged threads
8. Silicone gasket unaffected by extreme temps

*When used with full synthetic oil

** >20 microns per ISO 4548-12

HOW TO USE THIS CATALOG

IF YOU KNOW ENGINE MAKE, MODEL, OR YEAR

- This combined section is listed by the manufacturer of the vehicle first.
- Vehicles are arranged alphabetically by Make, Year and Model.
- Engines for that vehicle are then sorted by smallest to largest in order.
- VIN's are listed when needed to help with identification of the engines.

IF YOU KNOW MANUFACTURERS' OR COMPETITORS' NUMBERS

- All numbers are listed alphabetically by manufacturer. Numbers are then sorted numerically from the smallest one digit number to the largest multi-digit number in count sequence.
- At the end of the numerical listing, numbers are sorted alphabetically by prefix followed by numerical sequence as explained above.
- All dashes, slashes, commas, decimals are ignored.
- **CROSS REFERENCE WARNING:** Any use of an interchange to find a part is for reference only. There is no warranties with respect to products selected by cross reference or size. Warranties only applies to products selected according to the application guide.

Engine Air Filter		Gold; Flame Retardant	2488FR

YEAR (LATEST TO EARLIEST) ENGINE CONFIG. ENGINE SIZE ENGINE CODE or VIN FITMENT NOTE

CÓMO USAR ESTE CATÁLOGO

SI CONOCE LA MARCA, EL MODELO O EL AÑO DEL MOTOR

- La lista de esta sección combinada está ordenada primero por el fabricante del vehículo.
- Los vehículos se muestran con orden alfabético según la Marca, el Modelo y el Año.
- Luego, se ordenan los motores para ese vehículo de menor a mayor.
- Los VIN se mostrarán cuando sea necesario para ayudar con la identificación de los motores.

SI CONOCE LOS NÚMEROS DE LOS FABRICANTES O COMPETIDORES

- Todos los números están ordenados alfabéticamente por fabricante. Luego, numéricamente desde el número más pequeño de un dígito hasta el mayor de varios dígitos, en secuencia.
- Al final de la lista numérica, los números están organizados alfabéticamente por prefijo, seguidos por la secuencia numérica, tal como se explica arriba.
- Todos los guiones, barras, comas y decimales se ignoran.

COMMENT UTILISER CE CATALOGUE

SI VOUS CONNAISSEZ LE FABRICANT, LE MODÈLE OU L'ANNÉE DU MOTEUR

- Cette section combinée est d'abord triée suivant le fabricant du véhicule.
- Les véhicules sont triés par ordre alphabétique selon le fabricant, l'année et le modèle.
- Les moteurs de ce véhicule sont ensuite triés du plus petit au plus grand dans l'ordre.
- Les N.I.V. sont repris si nécessaire pour faciliter l'identification des moteurs.

SI VOUS CONNAISSEZ LES NUMÉROS DU FABRICANT OU DES CONCURRENTS

- Tous les numéros sont repris par ordre alphabétique selon le fabricant. Les numéros sont ensuite triés de façon numérique à partir du chiffre le plus petit jusqu'au plus grand nombre de plusieurs chiffres.
 - À la fin du tri numérique, les numéros sont triés de façon alphabétique selon le préfixe suivi de la séquence numérique comme expliqué ci-dessus.
 - Tous les tirets, barres obliques, virgules et décimales sont ignorés.
-

INSTALLING SPIN-ON OIL FILTERS WITH MOLDED GASKETS

The process of installing a spin-on oil filter with a molded gasket is similar to installing a spin-on oil filter with a lathe cut gasket, but there are key differences you need to know about for a successful installation.

Tools Typically Needed:

Wrench Set	Disposable Gloves
Socket Set	Rags or Paper Towels
Ratchet	Funnel
Oil Filter Wrench	Oil Drain Pan
Eye Protection	Lifting Equipment

WARNING: Moving parts and engine temperatures pose a significant hazard. Improper servicing can result in personal injury and severe engine damage.

1. First, lubricate the gasket of the new oil filter with a small amount of clean oil. This will ensure that the gasket does not bind when it meets the mating surface on the oil filter housing.

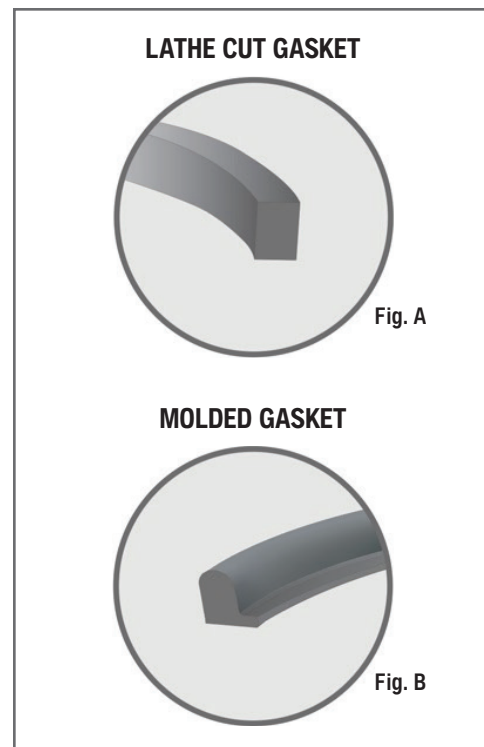

2. Next, clean the mating surface of any debris and install the oil filter by spinning it onto the oil filter housing stud, just as you would with any spin-on filter.

3. **This is the step where the process changes.**

Unlike common spin-on oil filters with a lathe cut (flat) gasket, shown in Fig. A, spin-on oil filters with a molded gasket, shown in Fig. B, can be tightened until the metal canister appears to be touching the mating surface on the oil filter housing. Unlike oil filters that have a lathe cut gasket, there is no risk involved when doing this with a filter that has a molded gasket.

WARNING: When the canister touches the mating surface on the oil filter housing, do not back it off. This could result in a poor axial seal and leak during operation.

4. With the filter properly installed, complete the oil change by following the manufacturer's specifications for the vehicle.

NOTE: This guide is intended only to assist installers with the key differences between installation of a typical spin-on oil filter with a lathe cut gasket vs. less common spin-on oil filters featuring molded gaskets. Follow manufacturer's instructions for the complete oil change procedure.

NAPA LIMITED WARRANTY

Any new vehicle and equipment warranties you may have are not affected by your use of NAPA filters or this limited warranty.

NAPA Filters warrants each NAPA filter to be free from defects in material and workmanship during the period of service life recommended by the engine or equipment manufacturer. This warranty does not apply if the filter has been improperly installed, altered, abused, neglected or damaged. This warranty also does not apply if the filter has been used for non-approved or non-recommended applications or if used in competitive racing, on modified high performance engines or in any aircraft or aviation application.

If your NAPA filter is found to be defective in material or workmanship during the period of service life recommended by the engine or equipment manufacturer, NAPA Filters will replace the defective filter with another NAPA filter. In addition, NAPA Filters will reimburse you for the reasonable costs of the parts and labor required to repair your engine or equipment to the extent the damage was solely attributable to a defect in your NAPA filter.

In order to obtain engine or equipment repairs under the warranty, you must, within 30 days after discovery of damage, submit a claim to any NAPA Filters representative, our NAPA distributor or directly to the address below. You must also allow the NAPA Filters Technical Service Department to examine the filter and, if required, the engine or equipment, to determine the extent of damage and whether it was caused by a defective NAPA filter. You should retain a copy of your service records and installation record and receipt as proof of the date of purchase. The filter must be returned to NAPA Filters Technical Service Department, unaltered, for examination, along with proof of purchase, service and installation records.

THIS WARRANTY IS EXCLUSIVE OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED. For NAPA filters used in commercial applications, and except where prohibited by applicable law, WE EXPRESSLY DISCLAIM, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ANY IMPLIED WARRANTIES ARE LIMITED TO THE DURATION OF THIS WARRANTY. THE FOREGOING IS THE ENTIRE AND EXCLUSIVE LIABILITY OF NAPA FILTERS AND YOUR EXCLUSIVE AND SOLE REMEDY FOR ANY DAMAGES OR CLAIMS MADE IN CONNECTION WITH THE USE OF A NAPA FILTER. NAPA FILTERS SHALL IN NO EVENT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING CLAIMS FOR LOSS OF USE OF THE EQUIPMENT ON WHICH THE NAPA FILTER IS INSTALLED, LOSS OF TIME, INCONVENIENCE OR COMMERCIAL LOSS. Some states and other local jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights and you may also have other rights, which vary from state to state and other local jurisdictions.

NAPA GARANTIE LIMITEE

Les garanties des vehicules et equipements neufs que vous possédez restent en vigueur lorsque des filtres NAPA ou cette garantie limitee son! utilises.

NAPA Filtre garantit que chaque filtre NAPA restera exempt de tout défaut de matériaux et de fabrication pendant toute la durée utile recommandée par le fabricant du moteur ou de l'équipement. La présente garantie ne s'applique pas si le filtre a été mal installé ou modifié, a subi des abus ou des dégats, ou a été négligé ou endommagé. La présente garantie ne s'applique pas non plus si le filtre a été utilisé pour des utilisations non approuvées ou non recommandées, ni pour des compétitions sportives, sur des moteurs hautes performances modifiés ou pour toute application aérienne ou aéronautique.

S'il s'avère qu'un filtre NAPA fait l'objet d'un défaut de matériaux ou de fabrication pendant toute la durée utile recommandée par le fabricant du moteur ou de l'équipement, NAPA remplacera le filtre défectueux par un autre filtre NAPA. De plus, NAPA remboursera les coûts raisonnables des pièces et de la main-d'œuvre requis pour réparer le moteur ou l'équipement sous réserve que les dégats soient uniquement attribuables à un défaut du filtre NAPA.

Afin d'obtenir la réparation du moteur ou de l'équipement en vertu de la présente garantie, le client doit dans les trente jours de la découverte du défaut présenter une réclamation à un représentant NAPA, au distributeur NAPA ou directement à l'adresse ci-dessous. Le client doit aussi permettre au Service technique de NAPA d'examiner le filtre en question et, le cas échéant, le moteur ou l'équipement, afin de déterminer l'étendue des dégats et si ces derniers ont été occasionnés par un filtre NAPA défectueux. Le client doit conserver une copie des documents de la réparation et de l'installation, ainsi que le reçu comme preuve de la date d'achat. Le filtre non modifié doit être expédié au Service technique de NAPA, en vue de son examen, et doit être accompagné de la preuve d'achat et des documents de réparation et d'installation.

LA PRESENTE GARANTIE EXCLUT TOUTE AUTRE GARANTIE, IMPLICITE OU EXPLICITE. Pour les filtres NAPA utilisés dans des utilisations commerciales, et sous réserve que cela ne soit pas interdit par des lois en vigueur, NAPA REFUSE EXPRESSEMENT, SANS AUCUNE RESTRICTION, LES GARANTIES IMPLICITES DE QUALITE MARCHANDE OU DE CONFORMITE A UN USAGE PARTICULIER. TOUTE GARANTIE IMPLICITE SE LIMITE A LA DUREE DE LA PRESENTE GARANTIE. CE QUI PRECEDE CONSTITUE LA RESPONSABILITE ENTIERE ET EXCLUSIVE DE NAPA FILTRES, AINSI QUE LE SEUL RECOURS EXCLUSIF DE L'ACHETEUR POUR TOUS DEGATS OU POUR TOUTE RECLAMATION PRESENTEE EN RAPPORT A L'UTILISATION D'UN FILTRE NAPA. NAPA FILTRES NE SERA EN AUCUN CAS RESPONSABLE D'AUCUNS DOMMAGES SPECIAUX, DIRECTS OU INDIRECTS QUELCONQUES, Y COMPRIS FACE A TOUTE RECLAMATION POUR PERTE D'UTILISATION DE L'EQUIPEMENT SUR LEQUEL LE FILTRE NAPA EST INSTALLE, PERTE DE TEMPS, GENE OU PREJUDICE COMMERCIAL. Certains états ou provinces et d'autres juridictions locales ne permettent pas l'exclusion ni la restriction des dommages directs ou indirects; les dispositions ci-dessus peuvent donc ne pas s'appliquer dans votre cas.

La présente garantie vous donne des droits légaux et vous pouvez aussi avoir d'autres droits qui peuvent varier d'un état, d'une province ou d'une juridiction locale à l'autre.

NAPA GARANTIA LIMITADA

Cualesquiera nuevas garantías de vehículo y equipo que pueda tener no son afectadas por su uso de los filtros NAPA o esta garantía limitada.

Los Filtros NAPA garantizan que cada filtro NAPA esta libre de defectos en materiales y mano de obra durante el periodo de la vida de servicio recomendada por el fabricante del motor o equipo. Esta garantía no aplica si el filtro ha sido inapropiadamente instalado, alterado, abusado, descuidado o dañado. Esta garantía tampoco aplica si el filtro ha sido usado para aplicaciones no aprobadas o no recomendadas o si es usado en carreras competitivas, o motores modificados de alto desempeño o en cualquier aplicacion de aeronave o aviacion.

Si se encuentra que su filtro NAPA es defectuoso en materiales o mano de obra durante el periodo de la vida de servicio recomendado por el fabricante de motor o equipo, Filtros NAPA reemplazara el filtro defectuoso con otro filtro NAPA. Además, Filtros NAPA le reembolsara los costos razonables de las partes y mano de obra requeridos para reparar su motor o equipo en la medida en que el dafio fuera atribuible exclusivamente al defecto en su filtro NAPA.

Para obtener reparaciones de motor o equipo bajo la garantía, usted debe, dentro de 30 días después del descubrimiento del dafio, presentar una reclamacion a cualquier representante de los Filtros NAPA, a nuestro distribuidor NAPA o directamente a la direccion mas adelante. Usted tambien debe permitir al Departamento de Servicio Tecnico de los Filtros NAPA examinar el filtro y, si se requiere, el motor o equipo para determinar la medida del dafio y si fue causado por un filtro NAPA defectuoso. Usted debe guardar una copia de sus registros de servicio y del registro de instalacion y recibo como prueba de la fecha de compra. El filtro debe ser devuelto al Departamento de Servicio Tecnico de Filtros NAPA, sin alterarlo, para examen, junto con el comprobante de compra y los registros de servicio e instalacion.

ESTA GARANTIA EXCLUYE CUALQUIER OTRA GARANTIA, EXPRESA O IMPLICITA. Para los filtros NAPA usados en aplicaciones comerciales y excepto cuando este prohibido por la ley aplicable, EXPRESAMENTE NEGAMOS, SIN LIMITACION, LAS GARANTIAS IMPLICITAS DE COMERCIALIZACION Y APTITUD PARA UN PROPOSITO PARTICULAR. CUALESQUIERA GARANTIAS IMPLICITAS SE LIMITAN A LA DURACION DE ESTA GARANTIA. LO ANTERIOR ES LA RESPONSABILIDAD TOTAL Y EXCLUSIVA DE LOS FILTROS NAPA Y SU RECURSO EXCLUSIVO Y UNICO POR CUALESQUIERA DANOS O DEMANDAS HECHAS EN RELACION CON EL USO DE UN FILTRO NAPA. LOS FILTROS NAPA EN NINGUN CASO SERAN RESPONSABLES DE CUALESQUIERA DANOS ESPECIALES, INCIDENTALES O CONSECUENCIALES, INCLUYENDO DEMANDAS POR PERDIDA DE USO DEL EQUIPO EN EL QUE EL FILTRO NAPA ESTE INSTALADO, PERDIDA DE TIEMPO, INCONVENIENCIA O PERDIDA COMERCIAL. Algunos estados y otras jurisdicciones locales no permiten la exclusion o limitacion de dafios incidentales o consecuenciales, por lo que las limitaciones o exclusion anteriores pueden no ser aplicables a usted.

Esta garantía le da derechos legales específicos y usted tambien puede tener otros derechos, que varian de estado en estado y otras jurisdicciones locales.
