HOW TO USE THIS CATALOG

IF YOU KNOW ENGINE MAKE, MODEL, OR YEAR

- This combined section is listed by the manufacturer of the vehicle first.
- Vehicles are arranged alphabetically by Make, Year and Model.
- Engines for that vehicle are then sorted by smallest to largest in order.
- VIN's are listed when needed to help with identification of the engines.

IF YOU KNOW MANUFACTURERS' OR COMPETITORS' NUMBERS

- All numbers are listed alphabetically by manufacturer. Numbers are then sorted numerically from the smallest one digit number to the largest multi-digit number in count sequence.
- At the end of the numerical listing, numbers are sorted alphabetically by prefix followed by numerical sequence as explained above.
- All dashes, slashes, commas, decimals are ignored.
- CROSS REFERENCE WARNING: Any use of an interchange to find a part is for reference only. There is no warranties with respect to products selected by cross reference or size. Warranties only applies to products selected according to the application guide.

CÓMO USAR ESTE CATÁLOGO

SI CONOCE LA MARCA, EL MODELO O EL AÑO DEL MOTOR

- La lista de esta sección combinada está ordenada primero por el fabricante del vehículo.
- Los vehículos se muestran con orden alfabético según la Marca, el Modelo y el Año.
- Luego, se ordenan los motores para ese vehículo de menor a mayor.
- Los VIN se mostrarán cuando sea necesario para ayudar con la identificación de los motores.

SI CONOCE LOS NÚMEROS DE LOS FABRICANTES O COMPETIDORES

- Todos los números están ordenados alfabéticamente por fabricante. Luego, numéricamente desde el número más pequeño de un dígito hasta el mayor de varios dígitos, en secuencia.
- Al final de la lista numérica, los números están organizados alfabéticamente por prefijo, seguidos por la secuencia numérica, tal como se explica arriba.
- Todos los guiones, barras, comas y decimales se ignoran.

COMMENT UTILISER CE CATALOGUE

SI VOUS CONNAISSEZ LE FABRICANT, LE MODÈLE OU L'ANNÉE DU MOTEUR

- Cette section combinée est d'abord triée suivant le fabricant du véhicule.
- Les véhicules sont triés par ordre alphabétique selon le fabricant, l'année et le modèle.
- Les moteurs de ce véhicule sont ensuite triés du plus petit au plus grand dans l'ordre.
- Les N.I.V. sont repris si nécessaire pour faciliter l'identification des moteurs.

SI VOUS CONNAISSEZ LES NUMÉROS DU FABRICANT OU DES CONCURRENTS

- Tous les numéros sont repris par ordre alphabétique selon le fabricant. Les numéros sont ensuite triés de façon numérique à partir du chiffre le plus petit jusqu'au plus grand nombre de plusieurs chiffres.
- À la fin du tri numérique, les numéros sont triés de façon alphabétique selon le préfixe suivi de la séquence numérique comme expliqué ci-dessus.
- Tous les tirets, barres obliques, virgules et décimales sont ignorés.
